This is my life  
Its not what it was before  
All these feelings Ive shared  
And these are my dreams  
That Id never lived before

Somebody shake me  
Cause I  
I must be sleeping

Now that we're here  
So Far Away  
All the struggle  
We thought was in vain  
All in the mistakes  
One life contained  
They all finally start to go away  
Now that we're here, So Far Away  
And I feel like I can face the day  
I can forgive  
Im not ashamed  
To be the person that I am today

These are my words  
That Ive never said before  
I think Im doing okay  
And this is the smile  
That Ive never shown before

Somebody shake me  
Cause I  
I must be sleeping

Now that we're here  
So Far Away  
All the struggle  
We thought was in vain  
All in the mistakes  
One life contained  
They all finally start to go away  
Now that we're here, So Far Away

And I feel like I can face the day  
I can forgive  
Im not ashamed  
To be the person that I am today

Im so afraid of waking  
Please don't shake me  
Afraid of waking  
Please don't shake me

Now that we're here  
So Far Away  
All the struggle  
We thought was in vain  
All in the mistakes  
One life contained  
They all finally start to go away  
Now that we're here, So Far Away  
And I feel like I can face the day  
I can forgive  
Im not ashamed  
To be the person that I am today
