Just try to understand  
This isn't what I planned  
This ride's out of my hands  
So now Im forced to be  
Something I can not be  
If only I could make you see

Tonight Im alive  
Ive watched you all grow up and so have I  
Inside this isn't really what I had in mind

I no longer relate  
To this world of hate  
That's forced upon my plate  
I tend to disagree  
I hope its not just me  
Alone if only I could make you see

Tonight Im alive  
Ive watched you all grow up and so have I  
Inside this isn't really what I had in mind

Tonight Im alive  
Ive watched you all grow up and so have I  
Inside this isn't really what I had in mind

Tonight Im alive  
Ive watched you all grow up and so have I  
Inside this isn't really what I had in mind

I had in mind
