Well I don't know what to say
Because there's truth to what you say
I know it kills you Im this way
There's something different every day

Could It Be that
I never had the chance to grow inside?
Could It Be that
My habit is to find a place to hide
Could It Be that
Sometimes I say things just to disagree?
Could It Be that
Im only being me?

Not easy living in my mind
A little peace is hard to find
My every thought is undermined
By all the history inside

Could It Be that
I never had the chance to grow inside?
Could It Be that
My habit is to find a place to hide
Could It Be that
Sometimes I say things just to disagree?
Could It Be that
Im only being me?

I know I hear the words you said
Over and over again
I just can't get them through my head
There's just too many voices
Must be like living with the dead
Waiting for me to begin
To do the things I have said
And for this Im sorry
So there's some truth to what you say

Could It Be that
I never had the chance to grow inside?
Could It Be that

My habit is to find a place to hide
Could It Be that
Sometimes I say things just to disagree?
Could It Be that
Im only being me?
