Looking at the devil
And he's got a gun
Finger started shaking
I begin to run, oh yeah
Bullets started chasing
I begin to stop
We begin to wrassle, yeah
I was on the top

I want to thank you
For letting me be myself again
Baby again
I want to thank you
For letting me be myself again
Oh yeah

Oh, slip up in the parlor
Shoved me in the face, yeah
Chip, Chete, Chad are trying
They going to put me in my place
Thank you for the party
But I could never stay, oh no
Many things on my mind
Words in the way

I want to thank you
For letting me be myself again
Baby again
Thank you
For letting me be myself again
Oh yeah (2x)

Oh, listening to music
All night long, yeah
Everyday people
Sing a simple song
Mama's so happy
Mama starts to crying
Papa's still a singing
You can make it if you try

I want to thank you

For letting me be myself again
Baby again, yeah
Thank you
For letting me be myself again
Oh yeah

Oh, screaming eyes are burning in
Burning in to you
Burning man running around
Better things to do
Come on in out of the cold
And run it from the start
You can see
We can be
We can sing along

And I want to thank you
For letting me be myself again
Different strokes, different folks, oh yeah
Thank you
For letting me be myself again
Oh
