I sit alone and watch the clock  
Tryin' to collect my thoughts  
All I think about is you  
And so I cry myself to sleep  
And hope the devil I don't meet  
In the dreams that I live through

Believe in me  
I know you've waited for so long  
Believe in me  
Sometimes the weak become the strong

Believe in me  
This life's not always what it seems  
Believe in me  
Cause I was made for chasing dreams

All the smiles you've had to fake  
And all the shit you've had to take  
Just to lead us here again  
I never have the things to say  
To make it all just go away  
To make it all just disappear

Believe in me  
I know you've waited for so long  
Believe in me  
Sometimes the weak become the strong

Believe in me

This life's not always what it seems  
Believe in me  
Cause I was made for chasing dreams

It's my life, it's my choice  
Hear my words, hear my voice  
And just believe

I sit alone and watch the clock  
Tryin' to collect my thoughts  
And all I think about is you

If you believe in me  
Life not always what it seems  
Believe in me  
Cause I was made for chasing dreams

Believe in me  
I know you've waited for so long  
Believe in me  
Sometimes the weak become the strong

Believe in me  
This life's not always what it seems  
Believe in me  
Cause I was made for chasing dreams
