Misery  
the company it keeps  
History  
of all these things we keep repeating

Like a wheel  
oh, that keeps turning

If I could break away  
from this moment  
break away  
what is real  
break away  
never show it  
break away  
how I feel  
If I could break away

Apathy  
the ignorance it breeds  
The tragedy  
of all these things we keep repeating

Like a wheel  
that keeps turning

If I could break away  
from this moment  
break away  
what is real  
break away  
never show it  
break away  
how I feel  
If I could break away

If I could break away  
If I could break away  
If I could break away

If I could break away  
from this moment

break away  
what is real  
break away never show it  
break away how I feel  
If I could break away

If I could break away  
If I could break away
