You're my world, the shelter from the rain
You're the pills that take away my pain
You're the fire that warms me when I'm cold
You're the hand to hold as I grow old

In a world where nothing else is true
Here I am still tangled up in you
Still tangled up in you

You're the ship when I am lost at sea
You're the only thing that I like up at me
You're the light to show me the way
You're the end when I am lost at sea

You're the only thing that I like up at me
You're the light to show me the way
You're the end of my very best day

In this world when nothing else is true
Here I am still tangled up in you
Tangled up in you

I'm still tangled up in you
I'm still tangled up in you
I'm still tangled up in you
