Gimme some guitars punk
Sweet Leth
Limp Bizkit in the house
What fucken' house?
Seattle baby
Terry Date, Limp Bizkit, Staind

Bring the noise
Bass! how low can you go?
Death row what a brother knows
Once again, back is the incredible
The rhyme animal
The incredible D. Public Enemy number one
Five-o said "freeze!" and I got numb
Can I tell 'em that I really never had a gun?
But it's the wax that the Terminator X-1
Now they got me in a cell 'cuz my records they sell
'Cuz a brother like me said "well?"
Farrakhan's a racist and I think you should listen to
What he can say to you what you otta do
Follow for now power of the people say.
"Make a miracle, D. pump the lyrical"
United we stand, all in all, we're gonna win.
Check it out, yeah y'all, here we go again

Turn it up, bring the noise!
I said turn it up! bring the noise!

Never badder than bad 'cuz the brother is madder than
mad
At the fact that's corrupt as a senator
Soul on a roll, but you treat it like soap on a rope
'Cuz the beats in the lines are so dope
Listen for lessons I'm saying
Inside music that the critics are blasting me
For they'll never care for the brother and sisters
Now across the country has us up for the war.
We got to demonstrate, come on
They're gonna have to wait 'till we get it right

Radio stations I question their blackness
They call themselves black. but we'll see if they'll play

this

Turn it up, bring the noise!
I said turn it up! bring the noise!

Get from in front of me, the crowd runs to me
My DJ is Lethal dose, we call him Leth you know
He can cut a record from side to side
So what, the ride the glide should be much safer than a
suicide
Soul control, beat is the father or our rock' n' roll
Music for whatcha, for whichin' you call a band man
Makin' a music abuse it but you can't do it, ya know
You call 'em demos but we ride limos, too
Whatcha gonna do? Rap is not afraid of you
Beat is for Sonny Bono, beat is for Yoko Ono
Run DMC first said a DJ could be a band
Stand on it's feet get you out your seat
Beat is for Eric B. and LB as well, hell
Records from Fred D still we can rock bells
Ever for ever, Universal it will sell
Time for me to exit, Terminator X-it

Turn it up, bring the noise!
I said turn it up! bring the noise!

Bring that fucken' noise, and get the fuck up
Get the fuck up
Bring the noise
Bring it
Fuck this
Limp Bizkit
Fuck this
In the studio
Fucken Suck ass
Bring that noise
Man fuck this
Terry Date is a fucken pain
Everybody shut up and turn the fucken' tape off
