Respect  
Respect what is found  
Respect it should be abound  
Respect everything that you leave  
I can't believe

I can't believe  
(I can't believe)  
Can't believe  
(I can't believe)

And I, I can't believe  
I can't believe all the travesty surrounding me  
I want to flee, I want to flee from everything  
In front of me

I can't believe  
(Can't believe)  
I can't believe  
(I can't believe)

Never again, trust in you  
Fuck everything that you think I should be  
I stand, never again, never again

I can't believe  
Can't believe  
Can't believe  
Can't believe
