Hello
Is there anybody in there?
Just nod if you can hear me
Is there anyone at home?

Come on, now
I hear you're feeling down
I can ease your pain
Get you on your feet again

Relax
Need some information first
Just the basic facts
Can you show me where it hurts?

And there's no pain, you are receiving
A distant ship's smoke on the horizon
You're only coming through in waves
Your lips move
But I can't hear what you're saying

I was a child, I caught a fever
My hands felt just like two balloons
Now I've got that fever once again
Can't explain, you would not understand
This is not how I am

And I have become comfortably numb

Okay
It's just a little pinprick
There'll be no more, ahh
You may feel a little sick

Can you stand up?
I do believe it's working, good
That'll keep you going for the show
Come on, it's time to go

There is no pain, you are receiving
A distant ship's smoke on the horizon
You're only coming through in waves

Your lips move
But I can't hear what you're saying

When I was a child
I caught a fleeting glimpse
Out of the corner of my eye
I turned to look but it was gone
I cannot put my finger on it now
The child is grown, the dream is lost

And I have become comfortably numb

I have become comfortably numb
