Twisting
Turning
Crashing
Burning
All this just to break me down

You don't know me
You don't see me
You don't own me cause I don't care

That I'm still here
Impatiently waiting for you to disappear
Is this my cross to bear?

Faceless
Faking
Pushing
Taking
All this just to bring me down

You don't know me
You don't see me

You don't own me cause I don't care

That I'm still here
Impatiently waiting for you to disappear
Is this my cross to bear?

You don't know me
You don't own me cause I'm aware

That I'm still here
Impatiently waiting for you to disappear
Is this my cross to bear
I'm still here
Reluctantly waiting for you to interfere
This is my cross to bear
