Time can take everything that
Surrounds you
You can break from everything that
Confines you

Some to trust - look in my eyes
I will guide you
So I say

Living to love could remind you

You can't know follow

What I say to you take with you today
The pressure it brings
Alone alive to know
What I say to you take with you today
You can't take the pain
To live to know

You can't fake
Everything that reminds you
How you feel
Time will tell what's inside you

You can't know follow (2x)

What I say to you take with you today
The pressure it brings
Alone alive to know
What I say to you take with you today
You can't take the pain
To live to know (live to know)
Live to know (live to know)

Live to know

What I say to you take with you today
The pressure it brings
Alone alive to know
What I say to you take with you today
You can't take the pain

To live to know
Live to know (live to know) (3x)
