In the back of my mind
Warms the blood of my thoughts
Her cataclysmic
Ocean sides
Workchild to run

But you'd better space
The pace they paced
Breathing and thinking
To help me keep the pace

Deep behind the wall of sound
A spinning wheel and the dream is found, yeah
Like an animal trapped in a private zoo
The truth and core of the human school

Oh, Oh yeah, Oh

In the front of my mind
Boils a bubbling stew
The keeper of the river of revolving, evolving brew
Swirling and tripping
To the leader of wraith
Laying bones in the bodies on a field of time
Yeah

Deep behind the wall of sound
A spinning wheel and a dream is found, yeah
Like an animal kept in a private zoo
The truth and core of the human school

Yeah (2x)

Deep behind the wall of sound
A spinning wheel and the dream is found, yeah
Like an animal kept in a private zoo
The truth and core of the human school

Early in the morning and I yell
Ties the temple region, oh no
Millions of members for sure
In the cerebral region

His method of logic
Is drowned in a frothy broth
His spirit is sold on a jelly drop
Yeah

Deep behind the wall of sound
A spinning wheel and a dream is found, yeah
Like an animal kept in a private zoo
The truth and core of the human school

Yeah
Oh
