[Scratching] My style is the best..

[Kool Keith]

The club is open catch this  
I wreck it swing it, get slinged  
Get styles is smooth, styles is sweet  
Styles are dope, styles that meet  
Any rapper clappin' you'd talkin'  
You'd be yappin' my flow is on the go-go  
This record's for real spin that wax in that winobill  
Check the back of the Houston tax package dats  
Sucka's wanna step up you rap your girl's ???  
I'm in here with wack MC's in the atmosphere  
Greasing my status Wolly Smith wanna change gears  
One-to one-to three-four man slappin' five  
People in the back fidge your face, while I rip it live  
I want some 2000 gamma wild motivation  
Sex on earth, it's time I left the spacestation  
Don't think I'm not in the court  
I'll tap that butt boy, rapper's in my ??????????  
You get's the bozak Peter from the Shootin' ???

[Chorus]

I want da mic, yo drop the style  
Let him rip it  
I want da mic, yo drop it here  
Let him flip it  
I want da mic, yo drop the style  
Let him rip it  
I want da mic, yo drop it here  
Let him flip

[Kool Keith]

You got the lice and ???? here, yo you carry louse  
Plunderjack, the base bounce more than the ounce  
Like Roger Traupman, people still use him now  
Onepowered horses MC's going off the couch  
Jump on the roose plays here like a violin  
You step like ??? but the clown keep on wylin'

[Chorus]

[Kool Keith]

The last ranger, ???? yo smokey bear  
Got that black night truck  
With wack MC's in my ????

I'm Mr. Cleanshoe clips through the magazine  
Butts get whiped and shined up by the greasemachine  
[Come on go with me over to my place]  
Yeah, like Teddy said  
I'm scratching butts like the pimples on your first record  
You wanna see and maybe folks wanna check it  
I want the sound to throw down and make you sit down  
And see your man, he's biting styles in the background

[Chorus]

4x I want da mic, yo drop the style  
Let him rip it  
I want da mic, yo drop it here  
Let him flip it

[Scratching] My style is the best (fades out)
