Crawling in my skin  
Crawling in my skin  
Without a sense of confidence,  
confidence, confidence...Consuming,  
confusing  
Crawling my skin  
Without a sense of confidence and i'm convinced that theres just too much pressure to take  
Theres something inside me that pulls beneath the surface  
I'm crawling in my skin  
(Crawling in my skin)  
These wounds they will not heal  
(These wounds they will not heal)  
Fear is how I fall  
(Fear is how I fall)  
Confusing, confusing what is real  
Confusing what is real...  
Theres something inside me that pulls beneath the surface  
Consuming, confusing  
This lack of self-control I fear is never ending  
Controlling, I cant seem  
To find myself again  
My walls are closing in  
(Without a sence of confidence, and i'm confinned that theres just too much pressure to take)  
I've felt his way before, so insecure...  
Crawling in my skin  
These wounds, they will not heal  
Fear is how I fall  
Confusing what is real  
Discomfort endlessly  
as pulled itself upon me  
Distracting, reacting  
Against my will I stand  
beside my own reflection  
Its haunting how I cant seem  
To find myself again  
My walls are closing in  
(Without a sence of confidence, and i'm convinced that theres just too much pressure to take)  
I've felt this way before, so insecure...  
Without a sence of confidence, confidence...  
Without a sence of confidence, confidence...  
Without a sence of confidence, and i'm convinced that theres just too much pressure to take  
Without a sence of confidence,

confidence...Without a sence of  
confidence, confidence...Without a sence of  
confidence, and i'm convinced  
that theres just too much pressure to takeTo find  
myself again, my walls are  
closing in(Without a sence of confidence, and i'm  
convinced that theres just  
too much pressure to take)I've felt this way before, so  
insecure...Crawling in my skinThese wounds, they will
