You take away
I feel the same

You take away
I feel the same
All the promises you made to me you made in vain
I lost myself inside your tainted smile again

Chorus
You can't feel my anger
You can't feel my pain
You can't feel this torment
Driving me insane
I can't fight these feelings, they bring only pain
You can't take away
Make me whole again

I feel betrayed
Stuck in your way
And you rip me apart with the brutal things you say
I can't deal with this shit anymore I just look away

Chorus

Mudshovel (4x)

You take away
I feel the same
All these promises
You promised only pain
If you take away
And leave me with nothing again

Chorus

Chorus (altered)
You will feel my anger
You will feel my pain
You will feel my torment
Driving you insane
I won't fight these feelings, I will bring you pain

You won't take away
I'll be whole again

Mudshuvel (4x)
