The walls around me caving in  
Cracked and grey  
Remind me of myself, I need some help  
There's no one else  
I'm empty  
Addicted  
Pissed off  
And still afraid  
Of what you  
Have left me  
To live in  
This mess you've made

I feel...  
Useless...  
Jaded...  
Nameless

the ride is over I've come down  
Hate to be  
Can't rely upon myself, for my own health  
I'm so fucked up

Distorted  
Dysfunctional  
and drained  
All my deep rooted  
Fears seem to get  
The best of me

I feel...  
Useless...  
Jaded...  
Nameless

I hate the way you fuck with me  
You can't rely on open eyes to see  
I force these painful visions from my head  
You won't be happy till I break down

I feel...  
Useless...

Jaded...  
Nameless
