## "No Sex"

Visit "[No Sex](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Went too fast, way too soon  
I feel disgusted and you should too  
It's no good when all that's left is the sex  
The sex

Sex has become all I know about you  
Memories of those filthy things that we do  
There's not one single thought that is left  
After sex with you

Should have left my pants on this time  
But instead you had to let me dive right in  
Should have left my pants on this time  
You let me dive right  
You let me dive right in

Wait, it's my ass, and your perfume  
That make temptation hard to refuse  
So I guess  
We undressed  
To have sex  
Dirty sex

Sex has become all I know about you  
Memories of those filthy things that we do  
There's not one single thought that is left  
After sex with you

Should have left my pants on this time.  
But instead you had to let me dive right in  
Should have left my pants on this time  
You let me dive right  
You let me dive right in

How can you respect yourself?  
You couldn't respect yourself  
I didn't respect myself  
How could I respect myself?

I've realized that I'm worth more than that  
Realized that I'm worth more than that  
Realized that I'm worth more than that

Realized that I mean more than that

Should have left my pants on this time (More than that)  
But instead you had to let me dive right in (More than  
that)

Should have left my pants on this time (More than that)  
You let me dive right  
You let me dive right in
