And you bring me to my knees, again
All this time that I could beg you please, in vain
All the times that I felt insecure, for you
And I leave my burdens at the door

I'm on the outside
I'm looking in
I can see through you
See your true colors
'Cause inside you're ugly
Ugly like me
I can see through you
See to the real you

All this time that I felt like this won't end
It's for you
And I taste what I could never have
Was from you
All those times that I tried
My intentions
Full of pride
And I waste more time than anyone

I'm on the outside

I'm looking in
I can see through you
See your true colors
Cause inside you're ugly
Ugly like me
I can see through you
See to the real you

All the times that I cried
All this wastin
It's all inside
And I feel all this pain
Stuffed it down
It's back again
And I lie here in bed
All alone
I cant mend but I feel

Tomorrow will be okay

I'm on the outside
I'm looking in
I can see through you
See your true colors
Inside you're ugly
Ugly like me
I can see through you
See to the real you
