I have seen  
Too many sad eyes look at me  
The eyes that set me free  
All the places that I've been

Thank you for the letters  
That you thought you wrote in vain  
And for the times  
You chose to stand out in the rain and wait for me, for  
me

Your words  
Your words help me to see  
A little honesty  
In a world that doesn't share

And your eyes  
Tell the story of your pain  
Severity of your disdain  
In a world that doesn't care

So thank you for the letters  
That you thought you wrote in vain  
And for the times  
You chose to stand out in the rain and wait

You  
You understand my pain  
From this I gather strength  
In that we are the same

So thank you for the letters  
That you thought you wrote in vain  
And for the times  
You chose to stand out in the rain and wait

The life I live would never be the same  
Without you here  
You here, you here  
Without you here
