I know I've been mistaken  
But just give me a break  
And see the changes that I've made

I've got some imperfections  
But how can you collect them all  
And throw them in my face?

But you always find a way  
To keep me right here waiting  
You always find the words to say  
To keep me right here waiting

And if you chose to walk away  
I'd still be right here waiting  
Searching for the things to say  
To keep you right here waiting

I hope you're not intending  
To be so condescending  
It's as much as I can take

And you're so independent  
You just refuse to bend  
So I keep bending till I break

But you always find a way  
To keep me right here waiting  
You always find the words to say

To keep me right here waiting

And if you chose to walk away  
I'd still be right here waiting  
Searching for the things to say  
To keep you right here waiting

I've made a commitment  
I'm willing to bleed for you  
I needed fulfillment  
I found what I need in you

Why can't you just forgive me?  
I don't want to relive  
All the mistakes I've made  
Along the way

But I always find a way  
To keep you right here waiting  
I always find the words to say  
To keep you right here waiting

But you always find a way  
To keep me right here waiting  
You always find the words to say  
To keep me right here waiting

And if I chose to walk away  
Would you be right here waiting?  
Searching for the things to say  
To keep me right here waiting
