This dark room  
another cigarette  
The carpet's strewn  
I'm getting sick of it  
The end is near  
I'm in the thick of it  
And I'll be there soon  
if you can handle it

Just save me from all that I am  
You save me for the fuck of it  
Save me, just hold out your hand  
You save me from all of it

I try to speak myself  
you can do it to  
I need no one's help  
I'm needing only you  
So just pray for me  
and deliver it  
You never take from me  
what I'm given

Just save me from all that I am

You save me for the fuck of it  
Save me, just hold out your hand  
You save me from all of it

And all that I've become is you  
The only good in me is you  
And after all of this  
today we come to find out  
will you take me  
or forsake me

So just pray for me  
am I forgiven  
From what you take from me

Just save me from all that I am  
You save me for the fuck of it

Save me, just hold out your hand  
You save me from all of it  
Come save me

Pray for me  
Am I forgiven?
