They kept on coming down to this place
'Cause I could see it in their eyes
They made the world a fucking disgrace
And everything burned cold

Pre-Chorus

They kept on coming down to this place
'Cause I could see it in their eyes
We took the world and healed the disgrace
Now everything burns fine

Chorus

Well, I'm talking about the ever changing
Winds of fame
I guess it just got cold in here
It comes full circle
No one ever changed our ways
Our little pill killed summer days
I guess it just got cold in here
It comes full circle

They kept on coming down to this place
Like they were running out of time
To make the world a fucking disgrace
And everything burned cold

Pre-Chorus

Chorus

Well, Send in the clowns (Send in the clowns) (7x)
Well, here come the clowns

SEND IN THE CLOWNS!!!! (4x)
FUCK!!!!

Chorus

Well, here come the clowns
Come the clowns
Send them in (3x)
Come the clowns
