

## Staind "so far away"

Visit "[so far away](#)" on MotoLyrics.com

This is my life, it's not what it was before  
All these feelings I've shared  
And these are my dreams  
That I'd never lived before  
Somebody shake me  
'Cause I, I must be sleepin'

Now that we're here, it's so far away  
All the struggle we thought was in vain  
An' all the mistakes one life contained  
They all finally start to go away

An' now that we're here, it's so far away  
An' I feel like I can face the day  
An' I can't forget that I'm not ashamed  
To be the person that I am today

These are my words  
That I've never said before  
I think I'm doin' okay  
And this is the smile  
I've never shown before  
Somebody shake me  
'Cause I, I must be sleeping

An' now that we're here, it's so far away

All the struggle we thought was in vain  
An' all the mistakes one life contained  
They all finally start to go away

An' now that we're here, it's so far away  
An' I feel like I can face the day  
An' I can't forget that I'm not ashamed  
To be the person that I am today

I'm so afraid of waking  
Please don't shake me  
Afraid of waking  
Please don't shake me

Now that we're here, it's so far away

All the struggle we thought was in vain  
An' all the mistakes one life contained  
They all finally start to go away

An' now that we're here, it's so far away  
An' I feel like I can face the day  
An' I can't forget that I'm not ashamed  
To be the person that I am today
