Can't breathe!
Shut up [2x]

I feel I give everything to you

Can't breathe!
Shut up [2x]

I think there's nothing left to do

Can't breathe!
Shut up [2x]

I don't like today, take it all away
Just like what you say - I don't want you

Kinda like the way, everything is gray
Just like what you say - I don't need you

I don't look like you, do the things you do
But I'm fucked up too - I don't need you

Can't breathe!
Shut up [2x]

I feel you are what's changed my soul

Can't breathe!
Shut up [2x]

I think I'll never lose control

Can't breathe!
Shut up [2x]

I don't like today, take it all away
Just like what you say - I don't want you
Kinda like the way, everything is gray
Just like what you say - I don't need you

I don't look like you, do the things you do
But I'm fucked up too - I don't need you

I don't understand it
You're killing this planet
The scabs on your face
It's a fucking disgrace
I blame you [2x]

I blame you [5x]

Can't breathe!
Shut up [2x]

I'm don't like today, take it all away (shut up)
Just like what you say - I don't want you (shut up)

Kinda like the way, everything is gray (shut up)
Just like what you say - I don't need you (shut up)

I don't look like you, do the things you do (shut up)
But I'm fucked up too - I don't need you (shut up)
