And you can bring me to my knees again  
All the times, then I could beg you please in vain  
And all the times, then I felt insecure for you  
And I leave my burdens out the door

But I'm on the outside and I'm looking in  
I can see through you, see your true colors  
'Cause inside you're ugly, you're ugly like me  
And I can see through you, see to the real you

All the times that I felt like this won't end, it's for you  
And I taste what I could never have, it was from you  
All the times that I've cried, my intentions were full of  
pride  
But I waste more time than anyone

But I'm on the outside and I'm looking in  
And I can see through you, see your true colors  
'Cause inside you're ugly, you're ugly like me  
And I can see through you, see to the real you

And all the times that I've cried, all this wasted, it's all  
inside  
And I feel all this pain, stuffed it down, it's back again  
And I lie here in bed, all alone I can't mend  
But I feel tomorrow will be okay

But I'm on the outside and I'm looking in  
I can see through you, see your true colors  
'Cause inside you're ugly, you're ugly like me  
I can see through you, see to the real you
