Hey Alexis, hey Marissa

It's Cammie up on the phone

Pick up, I'm wonderin' if ya

Wanted to hang this lazy summer day

The ocean's calling, calling our names

Yeah let's go

Chorus:

Look up, look up everyone

Everybody's staring at the sun

Get up, get up, have some fun

It's summer time, the party's just begun

Look up, look up everyone

Everybody, everybody

Look up, look up everyone

Everybody's staring at the sun

You grab the camera

I'll bring the shades

We can wear our bathing suits

And lay out all day

Play in the water

And wave to our friends walking by

Smile for the picture

Have the time of our lives

Chorus

You're all invited to the beach

Chicago, Nashville, NYC

So come on now and kick it with me

Atlanta, LA, let's go crazy

Chorus

Everybody's staring at the sun
