I feel nothing
Longing for something
Lie in bed and take your clothes off
Show me what you're made of
Drugs to soothe me

(All alone)
Leave me here I'm dying
(All alone)
Just kicked me in my face
(All alone)
All alone and crying
(All alone)
I suffocate

I'm not gifted
Slightly twisted
Try hard try hard
To see if I can push you any further
Drugs to soothe me

(All alone)
Leave me here I'm dying
(All alone)
Just kicked me in my face
(All alone)
All alone and crying
(All alone)
I suffocate

Please believe you'll save me, rearrange me
I can feel your feelings running through me
Take away my sorrow, my tomorrow
Heal me

(All alone)
Leave me here I'm dying
(All alone)
Just kicked me in my face
(All alone)
All alone and crying
(All alone)

I suffocate

I'm suffocating

Suffocate

(Come suffocate)

Suffocate

(Come suffocate)

Suffocate

(Come suffocate)

Suffocate

(Come suffocate)
