I don't give a fuck about all of your problems
I could give a rats ass how your feeling today
Take your wordily advice and shove it straight up your
ass
Thanks for coming around to fuck up my day

I try, tolerate
Good bye, take me
I try, tolerate
Good bye, take me

I try, tolerate
Good bye, take me
I try, tolerate
Good bye, take me

Look at you, I can't
You don't see the whole picture
Take my bed of dirt
Cold and empty I'll stay

What's the point of trying?
To stay above the surface
Take my life from me
Help me to ease my pain

I try, tolerate
Good bye, take me

Try to see the way around you, I can't find it
Try to take the path behind me, can't rewind it
Stick your finger in my face and I will break it
Leave me with an after taste

I try, tolerate
Good bye, take me
I try, tolerate
Good bye, take me

I try, tolerate
Good bye, take me
I try, tolerate

Good bye, take me
