If you see her walking  
Turn the other way  
Her beauty is so blinding  
I don't know what to say

And it's hard to believe  
That it wasn't just a dream  
If you know what I mean  
It makes you want to scream  
You got me  
Yeah, you got me, yeah

Step inside a moonlight  
Turn another page  
I'm dancing with her all night  
Ashamed to walk the day  
yeah, yeah, yes

And it's hard to believe  
That it wasn't just a dream  
If you know what I mean  
It makes you want to scream  
You got me  
Yeah, you got me, yeah

Zipper and lock sunshine  
A glass of lemonade  
I know that girl is so fine  
But you can never stay  
yeah, yeah, yeah

And I hear all the words  
But I don't know what they mean  
And it's hard to believe  
That it wasn't just a dream  
Someday she will know  
That I really loved her really love her so
