#### Verse 1: Afrika

Now, I won't say that I'm a ladies lover  
But if I was, you'd be under my cover  
And not only that, you'd be under my wing  
And me and you'd be doin' the nasty thing  
Whenever you're ready, we can go steady  
You can be my baby and I can be your teddy  
It's cold out there, but it's warm in here  
I know you have another lover, but I do not care

#### Verse 2: Mike G

Now, behind my bush, there's only room for two  
Jimmy and Jane, that's me and you  
Doin' it right 'til the morning light  
A little moan and groan after some fuss and fight  
Jungle love is all that I'm givin  
Jungle life is all that I'm livin  
Girl, I'm-a do ya the best I can  
Lettin' you know I'm your jungle man  
You can't front it off, you know it's gonna get ya  
I'm doin' this (where?) live from Africa

#### Verse 3: Afrika

I want to be your hero  
I want to be your man  
I want to love you every moment I can  
I want to take you back to the motherland  
And listen to the sounds of a steel-drum band  
Climb up a tree, just you and me  
'Cause that's the way that I want it to be  
Feel the breeze, put your mind at ease  
See the pretty birds and the chimpanzees  
After that, we'd step down to my hut  
And together, we'd split up a coconut  
Watch the sun set, watch the moon rise  
And then I'd proceed to make your nature rise

#### Verse 4: Mike G

I'll be your caveman, I'll be a brave man  
But most of all, I'll be a gentle man  
Your magic man, alakazam  
I put a spell on you that you can not stand  
Sweat and want you, it will surely taunt you  
To do what you want to do  
And that shall take me behind the bush and do me,  
baby
