## Verse 1:

Sometimes I wanna now  
Why it should be better  
To live alone, alone  
Otherwise I tell to me, why  
I'm gonna love you so  
Tell me the reason of  
Be a part of your life  
The I give you all of me.

## Refrain:

Can you hear the voice  
The voice of my heart  
Can you hear me calling  
That I need you so  
Can you hear the voice  
The voice of my soul

## Verse 2:

Sometimes I wanna know  
Are you the love for me  
The reason why I live  
Or is this just a game

I'm gonna tell you -no  
'cause I love you so  
be a part of my life  
then I give you all of me

Refrain: 1X

Bridge:

Forever we will be  
Together you and me  
Wanna give you more  
More than I can

Refrain

Can you hear the voice  
The voice of my heart  
Can you hear me calling  
That I need you so  
Can you hear the voice  
The voice of my soul
