C'mon c'mon
babe can you feel me
I've got something I wanna say,check it out!

For all this time
I've been loving you girl
Oh! Yes I have
And ever since the day you left me here alone
I've been try to find
A reason why

So if I did something wrong please tell me
I wanna understand
cause I don't want this love to ever end

ref:
And I swear
If you come back in my life
Babe to the end of time
(come back to me, come back into my life)
And I swear
I'll keep you right by my side
Cause babe your the one I love
Oh! Yes you are

I've lost you girl
Cause your taking my heart with you
Oh! yes you did
And every time I tried to reach you on the phone
Baby your never there
Girl you never home.

So if I did something wrong please tell me
I wanna understand
Cause I don't want this love to ever end

no no no no

ref.

Maybe I di'nt know

How to show it
And maybe I did'nt know
what to say
This time,I won't this time
Then we could build our lives
and we could be as one
