California Sun has Sunk

Behind Anaheim Hills it comes tonight

I was high on Junk

And the warm winter's ending and I feel alright

Well a crim, it hurt, make a bargain with the world

She starts obsessing when you shot a little gun

I spend my day in blackness, at night I get my Vision

Doctor comes, there ain't no indecision..

Cause it's wild

Well it's wild, wild, wild, wild..

California Sun has Sunk

Behind Anaheim Hills it comes tonight

I was high on Junk

And the warm winter's ending and I feel alright

I get destructive, I start opinions

I'm no longer respected in this new Transition

According to a friend, my long time senate

Disastrous living, disastrous living

Cause it's wild

Cause it's wild, wild, wild, wild...

California Sun has Sunk

Behind Anaheim Hills it comes tonight

I was high on Junk

And the warm winter's ending and I feel alright...

Cause its WILD!

Cause it's WILD! Wild, Wild WiiiiIdd!

California sun has Sunk

Behind Anaheim Hills it comes tonight

I was high on Junk

And the warm winter's ending and I feel alright

Yeah ALRIGHT!!
