I'm sailing away, set an open course for the virgin sea  
I've got to be free, free to face the life that's ahead of  
me

On board, I'm the captain, so climb aboard  
We'll search for tomorrow on every shore  
And I'll try, oh Lord, I'll try to carry on

I look to the sea, reflections in the waves spark my  
memory  
Some happy, some sad  
I think of childhood friends and the dreams we had  
We live happily forever, so the story goes  
But somehow we missed out, on that pot of gold  
But we'll try best that we can to carry on

A gathering of angels appeared above my head  
They sang to me this song of hope, and this is what  
they did  
They said come sail away, come sail away  
Come sail away with me  
\*you guys\*  
Come sail away, come sail away  
Come sail away with me  
Come sail away, come sail away  
come sail away with me  
\*ya guys had it\*  
Come sail away, come sail away  
come sail away with me

\*yeaaaaah!\*

\*yayayayaya\*

I thought that they were angels, but to my surprise  
They climbed aboard their starship and headed for the  
skies

Singing come sail away, come sail away  
Come sail away with me  
\*wha you guys\*  
Come sail away, come sail away  
Come sail away come sail with me

\*everybody now\*  
Come sail away, come sail away  
Come and sail away come sail with me  
\*yayayayaya\*  
Come sail away, come sail away  
Come sail away come sail with me

Chef: make it funky now

\*hey! you're screwin' around with my song!\*

\*hey!\*

\*what's goin' on?!\*

(Chef: Come sail away, come sail away)

(Chef: Come sail away with me . . .)

\*no! no! no! like this!\*

\*ah fuck it\*

Come sail away, come sail away  
Come sail away come sail with me  
\*goddammit!\*

Come sail away, come sail away  
Come sail away come sail with me

Come sail away. . . (Cartman singing frantically)
