Bombs are flying
People are dying
Children are crying
Politicians are lying too
Cancer is killing
Texaco is spilling
The whole world has gone to hell
But how are you?

Im super, thanks for asking
All things considered I couldn't be better
I must say
Im feeling super
No, nothing bugs me
Everything is super when you're
dont you think I look cute in this hat

Im so sorry
Mr. Cripple
But I just cant feel too bad for you right now
Because Im feeling so insanely super
that even the fact that you cant walk cant bring me
down

(people)
Hes super, thanks for asking
All things considered he couldn't be better
He must say
(big gay al)
Im super
No nothing bugs me
Everything is super when you're
dont you think I look cute in this hat
These little pants
This matching tie I got at Barn's
Im super
(People)
