it's hard to be a jew on christmas  
my friends won't let me join in any games  
and i can't sing christmas songs or decorate a  
christmas tree  
or leave water out for Rudolph 'cuz there's someting  
wrong with me  
my people don't believe in Jesus Christ Divinity

i'm a jew  
a lonely fucking jew  
on christmas

Hannakuh is nice but why is it  
that santa passes over my house every year  
and instead of eating ham, i have to eat kosher latkes  
instead of silent night i'm singing
