### "Mountain town"

Everything worked out, what a happy end!  
Americans and Canadians are friends again  
So let's all join hands, and knock oppression down!

Don't you know our little lives are now complete..  
'Cause Terrance and Phillip are sweeeeet!  
Super Sweet!

Thank God we live in this quiet, little, pissant, redneck  
Podunk, jerkwater, three corn, one horse, one hole  
Chicken butt, right wing, missing stuff, no mail, truck  
driving  
Old track, spacey, peabrain, horsewhipped, hungry,  
unkept  
White trash, kickass!..  
Mountain Town!
