Ooh, baby, every time we kiss, hot lava
Every time that we make love, that's lava, hot lava
Lava so hot it makes me sweat,
Lava so warm and red and wet,

Mountain is rumbling, must find a safer place
Soon the wrath of Pele, will fall upon your face
Great nectar of the gods, spews rock from ?????
makes the lava we know

Ooh, baby, every time we kiss, hot lava
Every time that we make love, there's lava, hot lava
Lava so hot it makes me sweat,
Lava so warm and red and wet

Burning through the forest, red, red hot lava flows
roles down the island body, and into the ocean below
When it meets the cool cool water, ???-->it's main flow
of living is:
