(Chorus)

A world so cold
I'm never coming home
Once more I'm told
You'll never be alone
I'll sing no more
Cut my tongue and my throat
I'll feel no more
My senses are all gone

Tear out these pages
Right out of the book
Just stick your head out
And just take a look
Why are we searching
For what we can't find
Nothing in this life
Is worth left behind

(Chorus)

A world so cold
I'm never coming home
Once more I'm told
You'll never be alone
I'll sing no more
Cut my tongue and my throat
I'll feel no more
My senses are all gone

I reach out my hand
To help you back up
I despise the things
That I use to love
My hatred grows
As anger builds up
Tears will fall harder
The coffins nailed shut

(Chorus)

A world so cold
I'm never coming home
Once more I'm told
You'll never be alone
I'll sing no more
Cut my tongue and my throat
I'll feel no more
My senses are all gone
