Girl you shot me
With a poison arrow
Now I'm empty
How could You be so shallow

And I can't sleep
To wake up tomorrow
Girl you got me
You got me chasing shadows

You got me chasing shadows
You got me chasing shadows
You got me chasing shadows
You got me chasing shadows
x2

Girl You shot me
With a poison arrow
Now I'm empty
How could You be so shallow

And I can't sleep
To wake up tomorrow
Girl You got me
You got me chasing shadows

You got me chasing shadows
You got me chasing shadows
You got me chasing shadows
