"The Sound of Chagne"

Visit "[The Sound of Chagne](#)" on MotoLyrics.com

Wind blows, fire burns,
Water flows and the earth turns.

Wind blows, fire burns,
Water flows and the earth turns.

Can you hear it?

Can you hear it?

Can you hear it?

That's the sound of change,
That's the sound of change,
Oh, that's the sound of change.

Wind blows, lifts you up,
Lets you touch the sky.
And the fire burns your spirit black,
Forges freedom's cry.

Water flows through your veins,
Becomes your salty tears.
And the earth she turns upon her course,
Marks your living years.
