I got a '57 chevy with 4 on
the floor
Glasspacks cheater slicks 454
Girls on the phone girls at
my door
They just keep comin' back for
more
(Chorus)
I 'm just a red-blooded fun-lovin'
All American Boy
I 'm just a red-blooded fun-lovin'
All American Boy
Got a pink Stratocaster and my
band is hot
A wild streak a mile wide that just
won't stop
A chain on my mirror made of
beer can tops
A chip on my shoulder better not
knock it off
(Chorus)
I'm just a red-blooded fun-lovin'
All American Boy
I'm just a red-blooded fun-lovin'
All American Boy
Well her eyes are blue and her
skin is tanned
The girl next to me thinks that I 'm
all hands
And I'm gonna touch her
everywhere I can
(Chorus)
I'm just a red-blooded fun-lovin'
All American Boy
I'm just a red-blooded fun-lovin'
All American Boy
I'm just a red-blooded fun-lovin'
All American Boy
I'm just a red-blooded fun-lovin'
All American Boy
