Hey!

Always Wondered What It Would Be Like
I Knew There Was Somethin' I Saw In Your Eyes
But I Never Thought I'd Find Myself Touchin' You
Now We Both Belong To Somebody Else
And We Know This Is Somethin' We Keep To Ourselves
When You're Lookin' My Way, It's Makin' It Harder To Do
You Sent A Poison Arrow, Shot Right Through My Heart
Now We're Alone And We Don't Know, Should It Go This
Far

Should We Cross That Line
Not Quite A Lover But More Than A Friend
Should We Cross That Line
Give Up, Give In Or Go Crazy

Just You And Me Alone In The Dark
Tryin' Not To Finish What We Shouldn't Start
When You're Caught Between Right And Wrong
Do You Stay Or Go
We Gotta Be Strong And Try To Resist
Because We Both Know That If We Ever Kissed
There'd Be Nothin' Left To Keep Us From Losin' Control
Girl It's Now Or Never, This Moment It Won't Last
And There's No Forever, There's Only Now

Should We Cross That Line
Not Quite A Lover But More Than A Friend
Should We Cross That Line
Give Up, Give In Or Go Crazy

I Heat Up Every Time I Hear Your Name
Caught Between The Passion And The Pain
Touch Me Once And You Know I'll Go Insane
Yeah Yeah

Should We Cross That Line (Cross That Line)
Not Quite A Lover But More Than A Friend
Should We Cross That Line (Yeah Yeah)
Give Up, Give In Or Go Crazy

Cross That Line (Ooh)
Not Quite A Lover But More Than A Friend
Should We Cross That Line
Give Up, Give In Or Go Crazy

Cross That Line
Not Quite A Lover But More Than A Friend
Should We Cross That Line
Give Up, Give In Or Go Crazy
