Three a.m. And I Just Can't Sleep  
Been Thinkin' 'Bout What She Means To Me  
Threw On My Shirt And My Worn Out Shoes, Took A  
Walk  
For The First Time In My Life I Got Somethin' To Lose  
Oh Now Im Talkin' To Myself  
I Gotta Face It, There Ain't Nobody Else  
I Never Wanted To Fall In Love  
I Was Doin' Just Fine On My Own  
But I Tasted Your Kiss  
And Without It I Just Can't Get Along  
Every Night I'm Wonderin' Why  
I Can't Forget No Matter How I Try  
Brick By Brick, Stone By Stone  
This Wall Around My Heart Is Tumblin' Down  
Oh Do I Run Or Do I Stay  
I Better Face It, There Ain't No Other Way, Baby  
I Never Wanted To Fall In Love  
I Was Doin' Just Fine On My Own  
But An Angel Like This  
Has Fallen Right Into My Arms  
Hey  
Need Some Time, I'm Gonna Take A Drive  
And When I Figure This Out I'm Gonna Be Alright  
Got The Wind In My Hair And Stars Above  
Well This Used To Feel Good And It Used To Be Right  
But Now Somehow Baby, Oh It Just Ain't Enough  
Oh Cause You're All I'm Thinkin' Of, All I'm Thinkin' Of  
Now  
I Never Wanted To Fall In Love  
I Was Doin' Just Fine On My Own  
But I Tasted Your Kiss  
And Without It I Can't Get Along  
Hey Yeah, I Never Wanted To Fall In Love  
I Never Wanted To Fall In Love  
You Know I Never, Never Wanted To Fall In Love With  
You Yeah  
Oh, But I Tasted Your Kiss Now  
And It's All That I Miss Oh Baby  
I Never Wanted To Fall In Love  
I Never Wanted, Oh Wanted To Fall  
Yeah, Yeah
