Seems the road is long and endless
And your dreams nowhere in sight
And ever night you feel so restless
'Cos you've been waiting all your life
To free the passion that lives inside

Don't give in!
Don't let up!
Fight the fight.
Stand your ground!
Don't back down!
It's your time to shine
(To shine to shine to shine)

You've always known just where you're goin'
Inner visions guides your way
'Cos in your mind you know you'll be there
You can't lose, you were born to win
So bring it on, let the games begin

Don't give in!
Don't let up!
Fight the fight.
Stand your ground!
Don't back down!
It's your time to shine
(To shine to shine to shine...)
To shine to shine to shine

You can't lose, you were born to win
So bring it on, let the games begin

Don't give in!
Don't let up!
Fight the fight.
Stand your ground!
Don't back down!
It's your time to shine

Don't give in!
Don't let up!
Fight the fight.

Stand your ground!
It's your time to
Shine.
