Johnny Got A Brand New Job  
And A Shiny New Company Car  
His Boss Really Likes Him  
As He Pats Him On The Back And Says  
"Son You're Gonna Go Real Far"  
Gonna Climb That Ladder Until It Breaks  
Johnny Says He'll Do Whatever It Takes  
He Can Already See His Room With A View  
There's Nothin' He Won't Do  
And To Get What He Wants  
Seems Like Everything's Goin' So Right  
Some Things Will Never Change  
But Johnny Still Can't Sleep At Night

Now He Never Gets Enough  
It's Just The Nature Of The Beast  
Of What He Don't Need  
And He's Too Damn Blind To See  
Some Things Will Never Change

He Bought A House In A Neighborhood  
He's Movin' Up, Livin' Large  
He Only Used To Drive Through  
Don't Care Who He's Gotta Lie To  
Now He's Got No Plans, Only One-Night Stands  
Cause To Him, Love Only Has Victims  
It's A Disease Of The Soul And It's Hard To Let Go  
He Thinks The Wall Street Journal  
And Johnny's Got All The Symptoms  
But Johnny Still Can't Sleep At Night  
Holds The Meaning Of Life

Now He Never Gets Enough  
Some Things Will Never Change  
It's Just The Nature Of The Beast  
And He's Too Damn Blind To See  
Of What He Don't Need  
Some Things Will Never Change

Ooh Yeah, Never Change

Now You've Lost The War

Ooh Yeah  
Johnny Can You Sleep At Night?  
But You've Won The Fight

Some Things Will Never Change  
And We Never Get Enough  
It's Just The Nature Of The Beast  
Of What We Don't Need  
And We're Too Damn Blind To See

Some Things Will Never Change  
As They Come Starvin' To The Feast  
Now We Never Get Enough  
Of What We Don't Need  
We're Too Damn Blind To See

Yeah  
Oh Some Things Will Never Change  
Oh They'll Never Change

Yeah Yeah
