Live in a town where you fight to survive
I've learned to stand on my own and to keep my
dreams alive
Workin' hard every day when life stays the same, can
bring a man down
But a feelin' drives me on, keeps my world turnin'
'round
I won't be satisfied, there's a hurricane I was born to
ride
Chorus:
That's takin' me straight to the top, I wanna run where
the eagles fly
Never gonna stop till I find my place in the sky
Takin' it straight to the top
When you're reachin' for the glory, you will never die
Down on the line, they're gettin' the best of me
But I don't belong here, I'll follow my destiny
When I stand on that mountain with my head in the
clouds, I know who I am
And I'll find that higher ground where I can walk like a
man
If I don't try I'll never know, there's a hunger down
inside my soul
(chorus)
I won't be satisfied, there's a hurricane I was born to
ride, yeah
(chorus)
(Solo)
I won't be satisfied, there's a hurricane I was born to
ride, yeah
(chorus repeats out...)
