Standing Alone, I'm Holding My Own
Gonna Show The World I'm The One
I Don't Care What You Think,
I Could Kill If You Blink
No Pretenders Left When I'm Done

Doesn't Matter Where I Go Now
You Know What They Say About Me
Everybody Loves A Winner
Everyone Can See That I Am
Everybody Follows The Leader (Baby)
Crusin' Down The Streets Of Siam

Fast But I'm Strong
It Won't Take Me Long
You See My Power Shine Like The Sun
Burn Up The Town, I Can't Get It Down
Gonna Have It All When I'm Done

Doesn't Matter Where I Go Now
You Know What They Say About Me
Everybody Loves A Winner
Everyone Can See That I Am
Everybody Follows The Leader (Baby)
Crusin' Down The Streets Of Siam

Everybody Follows The Leader
Everybody Follows The Man

Doesn't Matter Where I Go Now
You Know What They Say About Me
Everybody Loves A Winner
Everyone Can See That I Am
Everybody Follows The Leader (Baby)
Crusin' Down The Streets Of Siam
