I'll be there
I'll be there
With my little pick and shovel
I'll be there

I'll be there
I'll be there
With my little pick and shovel
I'll be there

I'll be there
I'll be there
With my little pick and shovel
I'll be there

I'll be there
I'll be there
When the coal comes from the Rhondda
I'll be there

When the coal comes from the Rhondda
Down the Taff Vale Railway Line
When the coal comes from the Rhondda
I'll be there

When the coal comes from the Rhondda
Down the Taff Vale Railway Line
With my little pick and shovel
I'll be there

I'll be there
I'll be there
With my little pick and shovel
I'll be there

I'll be there
I'll be there
When the coal comes from the Rhondda
I'll be there

When the coal comes down to Cardiff
On the Taff Vale Railway Line

When the coal comes down to Cardiff
I'll be there

When the coal comes down to Cardiff
On the Taff Vale Railway Line
With my little pick and shovel
I'll be there

I'll be there
I'll be there
With my little pick and shovel
I'll be there

I'll be there
I'll be there
When the coal comes down to Cardiff
I'll be there

When the coal comes from the Rhondda
Down the Taff Vale Railway Line
When the coal comes from the Rhondda
I'll be there

When the coal comes from the Rhondda
Down the Taff Vale Railway Line
With my little pick and shovel
I'll be there

I'll be there
I'll be there
With my little pick and shovel
I'll be there

I'll be there
I'll be there
With my little pick and shovel
I'll be there

I'll be there
I'll be there
With my little pick and shovel
I'll be there

I'll be there
I'll be there
When the coal comes from the Rhondda
I'll be there

I'll be there
I'll be there
(I'll be there)

With my little pick and shovel
I'll be there

I'll be there
I'll be there
(I'll be there)
With my little pick and shovel
I'll be there

I'll be there
I'll be there
(I'll be there)
With my little pick and shovel
I'll be there

I'll be there
I'll be there
When the coal comes down to Cardiff
I'll be there
